Post Portfolio Submission Art Projects (100 Possible Points)

Congratulations for completing your Portfolios! Whether you chose to submit to the College Board or not, you have each worked very hard this year and have grown tremendously. To finish out the school year, you will be working on artwork of your choice, with media of your choice, based on the options listed below. Keep in mind that our annual Art Show is coming up, which is a great opportunity to showcase these last projects in a variety of different ways, in addition to your portfolio work, if you choose.

1. A collaborative artwork with a partner/s (ie: a large scale mural on paper, cardboard, window, etc.)
2. Work independently on artwork of your choice
3. A 5 x 5" artwork to donate to help raise money for the TP Visual Arts Club. Guidelines are high quality artwork in those dimensions. (Deadline: would need to be done and given to Ms. Moran by May 13th)
4. "Artsy" signs and/or posters to promote the Art Show and hang around the school

Objectives: Use your creative freedoms to create high level original artwork of your choice... enjoy yourself, you've all earned it!
