

Visualizing Music

This project is all about exploring the creative connections between ART, MUSIC, and LYRICS! Your artwork should present your unique way of “Visualizing Music”

Use Dimensions and media of choice. You MUST pick 2 or more of the following:

- Use Text somewhere in your project (This may be a little bit of text, all text, or anything in between!).
- Illustrate a favorite song
- Honor a particular musician and/or piece of music (but do not simply duplicate album art!)
- Explore the parallels between formal elements in art and music
- Include the form of an instrument
- Relate to social events that bring together artists and performers
- Emphasize movement and/or dance
- Explore specific cultural connections between art & music
